At BlackRock, we understand the complexity of acquiring and managing retirement plans in today's rapidly changing environment and are committed to helping you every step of the way.

Thought Leadership and Industry Research

Through periodic publications and timely whitepapers, we cover the latest plan design and industry trends. Our dedicated research team is continuously analyzing the changing marketplace to help capture and share valuable insight that can help drive conversations with your clients.

Plan Design and Investment Analytics

With industry leading tools, we can help you evaluate plan design and investment menu construction for your clients and prospects. Leverage the experience of our team to integrate best practices on plan design, menu construction, plan benchmarking and plan implementation.

Participant Communications

Effective communication is crucial, so it shouldn't be taken lightly. When you work with BlackRock, we partner with you and your plan sponsors to make communications easier. We combine proven communications approaches with a library of content to help you offer strategies that help participants take action in their defined contribution plan.

Practice Management

With a suite of comprehensive programs, we can help you educate plan sponsors on the latest industry trends and issues such as fiduciary responsibility, fee transparency and effective plan reviews. Our team can share best practices to help you prospect and better manage your existing business.

Contact your BlackRock DC Consultant for access to tools, resources, insight and expertise to help grow and enhance your business.
