

Welcome to Ascensus

As you may know, Ascensus and Newport joined to form one company dedicated to helping more people save for a better future. On April 25, 2025, your retirement account was securely moved to the Ascensus recordkeeping platform. Here's what you need to know and do to get started with your account.

Consider bookmarking the Ascensus URL for easy access in the future.

Get the most out of your plan—review and update these key plan features

To make the most of your Ascensus experience, take a few minutes to review the checklist items below and update your account information as needed. Visit the [Participant Help Center](#) for helpful how-to guides and answers to frequently asked questions.

Investment elections

If you did not select your investment(s), you will see the **Enroll Now** link or button allowing you to actively select your investments for new contributions or leave as is.

Beneficiary information

Ascensus requires additional beneficiary details to ensure your retirement proceeds go to the intended recipient(s).

**Savings rate**

If you previously had a fractional percentage or dollar amount for your savings rate, you'll now see a whole percentage or dollar amount displayed. Please confirm or update your election as needed.

**Automatic savings rate increases**

You may need to re-establish your annual auto-deferral increase.

**Automatic account rebalancing**

If you had auto-rebalancing turned on before the move, you will need to re-establish your auto-rebalance elections.

Explore new tools to help you save**Download the READYSAVE™ app for secure, one-touch access to your account.**

After you log in to the employee website for the first time, you can access your account from the READYSAVE mobile retirement app with the same username and password.
